OTHER RELEVANT MATTERS:

No depositions may be scheduled to occur after the discovery cutoff date without agreement of the parties. All Motions to compel discovery will be filed by the end of the discovery cut off date.

This case is set for jury trial, and the trial is expected to last 3 day(s). The pretrial order date, pretrial conference date, and trial date will be set by the presiding judge.

The opposing party may file a response to any motion filed in this matter. Neither party may file an additional reply, however, without leave of the court. If a party believes that a reply is necessary, it shall file a motion for leave to file a reply accompanied by a memorandum setting forth the reasons for which a reply is required.

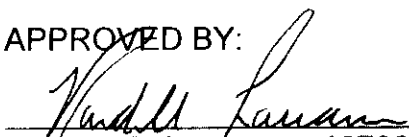

The parties have not consented to trial before the magistrate judge.

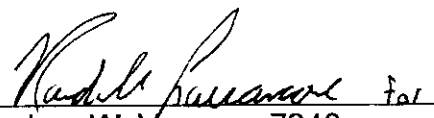

This order has been entered after consultation with trial counsel pursuant to notice. Absent good cause shown, the scheduling dates set by this order will not be modified or extended.
